

Academic Performance Statement

Academic performance at Rowan is underpinned by our school aims, particularly to encourage all pupils to develop fully, to strive for excellence and celebrate achievement. Pupils are assessed on entry to inform teaching groups, identify cognitive abilities and to support specific learning needs.

Rowan uses a variety of internal and external assessments to inform teaching and learning. These assessments are intended to facilitate pupil progress and the evaluation of that progress against relevant national norms. Results (% of pupils working at or above national Age Related Expectations) for end of Key Stage 1 and 2 are including below.
