REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 AUGUST 2022

The Trustees present their annual report together with the financial statements of The Friends of Rowan Association ("the charity") for the year ended 31 August 2022. The financial statements have been prepared in accordance with the accounting policies set out in note 2 to the accounts.

OBJECTIVES AND ACTIVITIES

The object of the charity is to advance the education of the pupils at Rowan Preparatory School ("the school", including Rowan Hill and Rowan Brae) by providing and assisting in the provision of facilities for education at the school and as ancillary thereto and in furtherance of this object the charity may:

- a. Foster more extended relationships between the staff and parents and others associated with the school; and
- b. Engage in activities, which support the school and advance the education of the pupils attending it.

Events and activities organised during the year included fairs, social events, second-hand uniform sales, refreshments at the school's sports days, auctions, pupils' artwork sales, and Christmas card sales, involving pupils, parents, school staff, and the wider community. Funds from these activities were used to provide facilities at the school and also to support Princess Alice Hospice, the school's chosen charity for part of the year, and charities offering aid to Ukraine's humanitarian crisis. The Trustees are very grateful for the generous support of the parent volunteers who manage various aspects of the events and support the activities.

The Trustees confirm that they have had due regard to the Charity Commission's guidance on public benefit when reviewing the charity's aims and objectives and in planning activities and priorities for the period.

ACHIEVEMENT AND PERFORMANCE

The charity had a very successful year with a large number of events and activities following the easing of covid-19 restrictions which had meant limited activity was possible in the previous year. The charity generated income of £71,321 during the financial year compared to £8,788 the previous year. The costs incurred to perform these activities were £32,438 (2021 - £4,925) resulting in a net surplus of £38,883 (2021 - £3,863). This net surplus provided £16,318 (2021 - £3,375) of facilities for the benefit of the pupils at the school and donations to other charities of £2,393 (2021 - £250).

The facilities provided at the school this year included initial payments of £4,323 for 16 Virtual Reality Headsets with educational content across the entire curriculum, and £8,500 for resurfacing the grass area in the Spinney with an all-weather artificial grass surface to enable use of the area all year round. This is part of a co-funded project with the school to transform the Spinney, a wooded and grassed area at Rowan Hill that fuels imaginative play. Other facilities and experiences provided during the year for pupils included £1,440 for a Mobile Climbing Wall experience for Rowan Hill pupils and £355 for a Circus Skills workshop for Rowan Brae pupils during Wellbeing Week, £350 for a British Sign Language introductory session for all Rowan Hill pupils, £1,000 for new library books and £350 towards author visits.

The charity also facilitated the purchase of 25 wish list items (£3,605) by parents for the school through a silent auction during the school's 85th Anniversary Ball in November 2021. The wish list items were resources identified by staff members across each department within school to enhance pupils' learning experiences and enjoyment at school. They included, amongst other items, an outdoor water pump station for Kindergarten, primary electrics kit for Science, BOSE speaker for the Sports department, Lego and robotics kits for Engineering, A2 wooden drawing boards for Art, and high definition visualizers for Key Stage 1.

FINANCIAL REVIEW

The charity had closing reserves of [£53,885] at 31 August 2022 (£33,713 at 31 August 2021). This included £12,822 of designated funds (2021 - £Nil) for the final payments for the Virtual Reality Headsets and the resurfacing of the Spinney grass area.

The Trustees aim to hold sufficient funds to be able to organise the various fundraising events, which incur expenditure up-front.

REPORT OF THE TRUSTEES – CONTINUED FOR THE YEAR ENDED 31 AUGUST 2022

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 AUGUST 2022

1. BASIS OF PREPARATION

These accounts and the previous accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and with the Charities Act 2011.

2. ACCOUNTING POLICIES

2.1 INCOME

Recognition of income

Income is included in the Statement of Financial Activities ("SoFA") when the charity becomes entitled to the resources; it is more likely than not that the trustees will receive the resources; and the monetary value can be measured with sufficient reliability.

Offsetting

There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS102 SORP.

Donations

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).

Income from interest, royalties and dividends

This is included in the accounts when receipt is probable and the amount receivable can be measured reliably. Bank interest is recognised on receipt into the charity's bank account.

Income from membership subscriptions

Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies. Parents of pupils at the school are informed of the annual membership subscription amount and given the option to opt-out of membership each year.

Tax reclaims on donations and gifts

Gift Aid receivable is included in income when there is a valid declaration from the donor. The charity has no gift aid claim receivable in the current or prior period.

Voluntary help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

2.2 EXPENDITURE AND LIABILITIES

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings, they have been shown separately within each expense heading.

Liability recognition

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

NOTES TO THE ACCOUNTS – CONTINUED FOR THE YEAR ENDED 31 AUGUST 2022

Governance and support costs

Where clearly identifiable, support and governance costs are allocated directly to each fundraising activity. Support and governance costs that are not directly related to an activity are not allocated but shown separately in Note 4.

Creditors and deferred income

The charity has creditors which are measured at settlement amounts less any trade discounts. No material item of deferred income has been included in the accounts.

Provisions for liabilities

A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date.

2.3 ASSETS

Fixed Assets

The charity has no tangible or intangible fixed assets, and no fixed asset investments.

Stocks and work-in-progress

Stocks held for sale as part of non-charitable trade are measured at the lower of cost or net realisable value. Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock. Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.

Debtors

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

Current asset investments

The charity has cash on deposit with a maturity date of less than one year to meet short term cash commitments as they fall due.

2.4 FUND ACCOUNTING

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the Trustees. Suggestions for funding projects at the school may be made by the school, the Committee or any parent member by presenting their suggestion in writing to the Committee. On 25 June 2015, a Bylaw was adopted to require a Class Representative parent vote to approve proposals for funding facilities at school of more than £500. Designated funds are a subset of unrestricted funds which have been earmarked for planned future expenditure for the charity's purposes but have not been paid as at the year-end date.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes as specifically identified in appeal literature. The charity did not have any restricted funds at the year-end (2021 – £Nil).

The facilities provided at the school this year included 16 Virtual Reality Headsets with educational content across the entire curriculum to provide immersive learning experiences for pupils and to build discussion, collaboration and creative skills. In addition, the grass area of the Spinney was resurfaced during Summer 2022 with an all-weather artificial grass surface to enable use of the area all year round. This was a co-funded project with the school. The Spinney is a wooded and grassed area at Rowan Hill which is widely acknowledged as the pupils' favourite place to play and enhances their wellbeing and imaginative and collaborative play. The winter weather had previously made the grass area muddy and unusable for most of October to March. The resurfaced area can now be used throughout the year to develop the girls' social and imaginative play through games, lessons and free play.

The other approved funding projects in the period included a Mobile Climbing Wall experience for Rowan Hill pupils and a Circus Skills workshop for Rowan Brae pupils during Wellbeing Week, together with a British Sign Language introductory session for all Rowan Hill pupils, additional resources for the libraries at Rowan Brae and Rowan Hill, and a contribution towards author visits to the school.

In the prior year, £3,375 was provided to the school for Willow Weaving Workshops for all pupils from Preschool to Year 6. The workshops led to the creation of a long-term sculpture garden and living tree dome in recognition of the school's 85th anniversary.

During the current period, the charity also organised a number of fundraising activities from which the monies raised were shared with other charities in a set proportion, as specified at the outset in the communications for each fundraising activity (Note 9). These included a Live Auction of special Rowan prizes during the Parents' Curry & Quiz Night in March 2022, where the prizes ranged from a pupil being Headmistress for the day to a parent having a reserved parking space at Rowan Brae for a week. All the monies raised (£1,000) from the Live Auction were donated to the Disasters Emergency Committee's Ukraine Humanitarian Appeal. The donation amounts made in the period to other charities are shown above.

During the period, changes were made to the second-hand uniform arrangements. With effect from 4 March 2022, the charity ceased working with online platform Uniformis and brought the stock of second-hand uniform back inhouse. The charity now runs one second-hand uniform sale per term onsite at the school. All proceeds from the sales of donated second-hand uniform go to The Friends of Rowan Association and commission is no longer payable to parents. The only exception to this is the sale of blazers, which are high-value items, where 50% commission is paid to parents donating a blazer. Parents continue to have access to Uniformis for direct sales to each other.

The charity hosted a silent auction during the school's 85th Anniversary Ball in which parents could bid to purchase 25 "wish list" resources for school. The wish list items were identified by staff members across each department within the school to enhance pupils' learning experiences and enjoyment. The charity collected the winning bids from parents and reimbursed the school for the cost of the wish list items (£3,605). This amount is not recognised in the SoFA as the charity was acting as an agent. Where a winning bid exceeded the value of a wish list item, the excess donation is recognised in the charity's SoFA (total £1,715).
