Academic Performance Statement

Academic performance at Rowan is underpinned by our school aims, particularly to encourage all pupils to develop fully, to strive for excellence and celebrate achievement. Pupils are assessed on entry to inform teaching groups, identify cognitive abilities and to support specific learning needs.

Rowan uses a variety of internal and external assessments to inform teaching and learning. These assessments are intended to facilitate pupil progress and the evaluation of that progress against relevant national norms.

Rowan prides itself in preparing pupils for their future senior schools at 11+ and we celebrate our girls being accepted by a wide range of schools. The school has established relationships with a wide range of senior schools spanning Single sex, Co-educational, Day and Boarding options.

Rowan leavers all achieve places at a senior school chosen by their parents in conjunction with the school. They perform extremely well in their entrance exams. The table below sets out offers made to our Year 6 cohort in 2025-26.
